## Rehearsals Underway For First Production

Backstage Crew Selected By Director; Blaisdell, Toohill Stage Managers

Rehearsals are now in full swing for "One Sunday Afternoon", the first play to be given this year by Mask and Dagger. The play is one that held the first night Broadway audience under the spell of its love story. The play is one that has a great deal of subtle humor. Typical of this in the first act one of the characters says, "I'd fall down and die right on this spot if I ever fell in love with a man."

The play itself is divided into three sections. The first being the prologue which takes place in the office of middle-aged Bill Grimes, a well-known dentist in Hillsdale; the scenery then shifts back to many years ago in the spring—"when a young man's fancy", etc. Here the thrill of youth is revealed and following this, the epilogue in which Biff realizes how lucky he really is.

### Staff Appointed

Professor Hennessey has appointed the following for backstage: Construction—Joe Garrison, Dick Horan, Bob Leggett, Sheldon Prescott, Pete Rawstrom, Bob Stewart, and Dan Russell; Stage Managers—Jeannette Toohill, Marjorie Blaisdell, Tom O'Donnell; Scenery—John Gow, R. Wolvek; Color and Design—Virginia Lambert; Electrician—Leonard Conville; Props and Costumes—Norma Prohaska, Betty Smalley, Gail Daly, and Faith Williams.

## Religious Groups Hold Conference

The New England Student Christian Movement held a conference in Allentown, New Hampshire, which opened Friday and ended at noon Sunday. This conference was the first one of its kind, being a joint meeting of commission leaders and faculty advisors of New England Christian Associations from all New England colleges. It was a work conference of committee chairmen to discuss ten basic problems of the movement some of which are race prejudices, religious prejudices, economic problems, labor problems and devotional problems.

Representatives from practically every college and university in New England were present: Yale, University of Connecticut, Brown, Simmons, Boston University, Wellesley, Wesleyan, Mt. Holyoke, Dartmouth, University of New Hampshire, Colby, Colby Junior, Stoneleigh, Bates, and others. Those representing the university were: Evelyn Tipping, Esther Tipping, Wyntha Tompkins, Philip French, Donald Osborne, John Davis, Doris Trafton, Martha Woodworth, Rosalind Cogger, Judy Austin, and Rev. and Mrs. Robert James.

### Spruce Pond Camp

209 representatives registered Friday at the Bear Hill Pond Camp and Spruce Pond Camp of the Federal Recreation Project in Allentown. The Conference consisted of meetings of the entire body, and commission meetings which were supplemented by a barn dance Saturday evening.

### Flying Club

There will be a meeting of the Flying Club tomorrow afternoon at 4:00, in DeMeritt 102. All students interested in flying or gliding are urged to come. As membership in this club will give a chance for a number of hours of flying experience, we particularly invite CAA students.

## Stu Gee Installs Demerit System for Girls' Dorms

A demerit system for room inspection was recently installed by Women's Student Government. The system was devised mainly to bring to the attention of the girls living in the dormitories the necessity for keeping their rooms clean.

Barbara Burns, president of Women's Student Government, says, "The practice is one used mainly by boarding schools and younger girls, and is a very imperfect system for college use and one that should be necessary. However, for us, it has served its major purpose, that of bringing to the foreground the need for personal neatness based on the premise that personal untidiness brings slackness of work, of dress, and of thinking."

It will not be in effect after the 17th of October. At this time the dormitories will go back to their previous methods of inspection which will be agreed upon and worked out by the house councils and house-mothers.

## Over 60 Students Try Out for Radio

### Dimond Announces New Heads for Committees

Over sixty students turned out for the Mike and Dial tryouts held in the Mike and Dial Radio Workshop last Friday afternoon. Unfortunately, only twenty-six of these were able to try out because of the limited time, but more tryouts will be held after the National Broadcasting Company movies which will be shown at four o'clock next Friday. Those who didn't have an opportunity to try out last week are cordially invited to come at that time. Others who may have tried out as well as regular members of the club are invited to attend the movies if interested.

### List of Committees

Committee heads were announced this afternoon by Program Director Sid Dimond. Heading the script committee is Susan Katzman, who was who was active in that line last year. It will be Miss Katzman's duty to enlist writers and pass judgment on all scripts which are submitted to her. Anyone interested in Mike and Dial should contact her at Scott Hall. Betty Jo Weaver was named chairman of the production and direction department. Betty Jo was one of the outstanding members last year and is well equipped to head that division.

Jeannette Toohill, star of many of last year's radio dramas, has charge of all actresses, and Clayton Smith, also an able actor, has charge of that phase of the program. Jack Evans, who announced many programs last year is chief announcer. Those who desire to work in the business department or technical end may do so with the Business Manager, Alice Moran or Technical Director, Arthur Barrett.

The club's first broadcast will be presented from the campus studio.

### Marriage Notice

It has recently been announced that Lawrence M. Stone, of the class of 1941, will take Frances Winkler of Brookline, Mass., as his wife at Gardner Manor in Brookline on October 18. Morris Pinks, '42, will be best man.

### Rec

Beginner's Rec will continue this week, tomorrow at seven p.m. for the boys and four p.m. for the girls. This will be the last opportunity to sign up for dancing classes.

### Attention Politicians!

Hear ye! Hear ye! All you prospective mayors. Now's the time to spread your propaganda or whatever you wish to call it. You know election time is coming up the seventh of next month. Now's the time to gather votes. So get on the old platform and start performing.

## Varieties Script Contest Opens

The script writing contest held in conjunction with the annual production of Granite Varieties is now open, it was announced by Elwyn Dearborn, general director of the musical comedy. At the first meeting of the committee in charge, December 12 was named as the closing date of the contest period. It was emphasized that all scripts must be in at that time. Music for songs will also be accepted now, as the new policy of the Varieties is to make the music an integral part of the show. Lyrics can be written after the script is chosen.

Prospective script writers who desire any information regarding musical comedies may get the material from Director Dearborn, who will be in room 102 Ballard Hall tomorrow evening at seven o'clock for that purpose. At this meeting with all prospective writers tomorrow, suggestions will be offered as to what general themes would be desirable for a Granite Varieties musical. Also, suggestions will be given as to just how one should go about writing the script that will be honored by selection for production.

Thereafter the General Director will be in 102 Ballard Hall every Monday at seven p.m. to aid with the development of any scripts being written.

## Seton Hall President Addresses Newman Club

The Right Rev. James F. Kelly, Ph.D., president of Seton Hall College of South Orange, N. J., will be the guest speaker at the first formal meeting of the Newman Club tonight at 7:30 p.m. in New Hampshire Hall.

Monseignor Kelly, who is noted as an educator throughout the country, is making a tour of this section, studying the administrative policies of the different colleges and universities.

This afternoon he was a guest of President Fred Engelhardt, with whom he discussed various problems dealing with affairs of this school.

All members of the Newman Club, and those of the freshman class who contemplate joining are urged to attend this first meeting.

## Engineers to Hear Munitions Leader

"The Tool Engineer Turns to War" is the interesting theme of American Society of Tool Engineers' semi-annual meeting which takes place during October, 16, 17, and 18 at Toronto, Canada. The mechanical engineering department of this campus will be represented.

Perhaps the most appealing feature of the meeting is the fact that those in attendance will have the opportunity to visit twelve of the leading armament and munitions plants in the district, including the world's largest machine gun plant, and other establishments covering the range of war manufacturing from bombers to fire control apparatus.

This is in addition to a series of extremely beneficial technical sessions and the semi-annual banquet and meeting. The banquet speaker will be the Hon. D. C. Howe, Canada's Wartime Minister of Munitions and Supply. He will give a timely message on the extent of Canada's wartime accomplishment.

## Capacity Audience Sees Annual Horse Show

### Commons Dormitory Gives Party for All Transfers

On Friday evening the Commons is giving a Transfer Party in the Commons' Organization Room, to which all of this year's transfers of the university are invited. Those in charge of the evening's entertainment are: Elwyn Dearborn, social chairman of Commons, in general charge of the evening's activities; Edwin Meserve, refreshments; Neale Westfall, music.

Plans for the evening are dancing and games. Those invited include eighty-three transfers, thirty-five of which are women and forty-eight are men. Dean Alexander commented favorably, saying he was glad to see a group on campus trying to promote better feeling among students, a more friendly campus spirit, among those who are newly arrivals from such universities and colleges as: Green Mountain, Colby Jr., Centenary, B. U., Framingham Teachers, Simmons, Syracuse, Jackson, Bridgewater Teachers, and Virginia Intermont Jr.

Chaperones for the Commons' Transfer Party will be house director, Mrs. Elizabeth Kpowlton, Mr. Thomas McGrail, and Mr. and Mrs. Bjornar Bergethon.

## AGR, Phi Mu Gain Scholastic Honors

### Non-Fraternity Men Lead Fraternity Men

According to a statement recently released by the Office of the Registrar, Alpha Gamma Rho again leads the other fraternities in scholastic standing. Phi Mus took the honors for the sororities.

The complete list is as follows: Alpha Gamma Rho—80.67, Phi Mu Delta—78.72, Phi Alpha—78.03, Pi Kappa Alpha—75.93, Tau Kappa Epsilon—75.59, Phi Delta Upsilon—75.58, Theta Kappa Phi—75.16, Kappa Sigma—74.88, Sigma Beta—74.41, Sigma Alpha Epsilon—74.36, Theta Chi—74.11, Alpha Tau Omega—73.34, and Lambda Chi Alpha—73.25.

Phi Mu—82.22, Theta Upsilon—82.11, Kappa Delta—81.11, Alpha Xi Delta—78.72, Alpha Chi Omega—78.39, Pi Lambda Sigma—78.15, and Chi Omega—77.44.

The average for the entire university is 77.50 as compared to 77.63 for the first semester. The women's average is 79.17 and the men's is 76.61.

The non-fraternity men lead the fraternity men 77.68 to 75.44, while the sorority women lead the non-sorority women, 79.53 to 78.94.

### Pat Jordan Wins Milking Contest; Herb Williams Stars on Mountain Echo

Before one of the largest crowds in the nine year history of the annual Horse Show an entry list of over fifty horses participated in the eighteen events which began at one and ended at 6:30 yesterday afternoon.

Campus honors went to Herb Williams on Mountain Echo, owned by Ringmaster Jack Emerson of Dover. Capturing two firsts—one in the Student Horsemanship class for UNH students only and one in the Local Saddle Horses class; two seconds, in the Gentlemen's Horsemanship and the Combination Horses; and one fourth in the Saddle Horses, 15-2 and over, Herb proved to be one of the outstanding riders of the afternoon.

### Ruth Dickson Wins

Ruth Dickson on her chestnut mare, Sadwin, took first place in the Bridle Path class, second place in the Intercollegiate Riding Competition, and fourth in the UNH Student Horsemanship. This makes four awards that Ruth has won in the last three days for on Saturday in Poland Spring Maine, she won the annual Maine trail ride for the third consecutive time, thus retiring the Barrows prize trophy.

## Jolly Attends Library Meeting

Mr. David Jolly, acting librarian of the library, has been attending for the last two days a meeting important in library history at Brown University. The conference was called by Mr. Herbert Kellar, who is head of the experimental division of the Library Corporation of the Library of Congress. The purpose of the meeting is to discuss ways of keeping the country up to date on world-wide researches. The meeting is concerned with the problems of acquisition, control, and mobility of the research materials in American libraries. This problem is on a regional scale all over the country. Mr. Jolly is the representative of the University of New Hampshire at the New England meeting.

Mr. Jolly was also present as representative of the New Hampshire Library Association at a meeting for civilian defense in Concord a few weeks ago. Civilian defense, as it was discussed, is designed to supplement the services already in operation. Its purposes are to avoid the spreading of panic and to inform people so that they will be prepared to take immediate action in case of attack.

## Increased Interest in Music Shown by Additions to Staff

By Barbara Sheppard

Proof that a greater interest in music is being developed at the university is shown by the fact that there have been two additions to the staff of that particular department, according to a statement made by Professor Bergethon. These two men are Mr. Wesley Copplestone, voice instructor, and Mr. Milton Berman, violinist.

### Tenor

Mr. Copplestone, who comes from Wellesley, Mass., will have classes only two days a week. Well known for his fine tenor voice, he has been soloist with several Boston organizations and with the Gardner Museum. A graduate of the New England Conservatory of Music, he sang for eighteen months with N. B. C. in New York City and has also done oratorial work with

various choral societies in Keene, Concord, and Nashua, where he was very well received.

### Violinist

Mr. Berman, violinist, will fill the capacity of a full time instructor. After having studied for several years under the great Stassevich, Mr. Berman made his debut at Carnegie Hall at the age of twelve. He is a graduate of New York University where he received his B.M. and M.A. degrees. While there he was concert master with the university orchestra and he will have the same position here at New Hampshire.

Although the enrollment for music lessons is larger than ever before, it is still not too late to make up the lessons that have been missed since school opened.

## Take Pen in Hand

Recent announcement that there would be no Granite Varieties production this school year unless all scripts are in before Christmas made recently by the administration may seem a little drastic but is in reality a necessary step to insure the success of the show. Last winter scripts straggled in anytime from Thanksgiving until several weeks after Christmas vacation and as a result the entire production of Ladies in Hades” was delayed and rushed.

Anyone planning to submit a script for consideration by the committee may just as well start it now and complete it as soon as possible. An organization which in two short years has gained such popularity through unparalleled success can ill afford to suffer an untimely death because of procrastination on the part of able but indifferent writers.

## Honors?

As last spring’s honor roll is released and composite averages are published by the registrar’s office it is again interesting to make comparisons. As usual non-fraternity men boast a substantially higher percentage than members of fraternities which revives the old question of the advisability or value of fraternity membership. Are the so-called advantages of brotherhood and social experiences gained in fraternity houses enough to compensate for the lower averages? Or is it the originally better student who chooses to remain independent and enjoy dormitory life.

With the women students the condition is reversed. The sorority members do better in their classroom and laboratory work than do the dormitory co-eds. Is there any explanation for this situation.

Alpha Gamma Rho, with the highest fraternity average on campus for the last several years, deserves special commendation. Not because agricultural courses are any easier but rather because students interested in those particular fields are of the more studious type, this house again heads all others.

## Editorial Points

It seems rather a childish method to resort to for the Women’s Student Government to give demerits to girls with untidy rooms. Perhaps there is a place for this type of punishment in boarding schools but there should be no need for it in college.

Members of the Outing club and animal husbandry department and especially those on the committee deserve credit for the hard work they did in arranging and running the ninth annual horse show this week.

At last a dormitory is doing something which will benefit more than its own residents as the Commons boys plan a party and dance for all transfers this Friday evening.

The campus was quite deserted this week-end with no football game or other attractive events to hold students here.

## To the Editor

To the Editor:

Last Saturday morning I had the occasion to observe certain undesirable ethics exhibited by male students enrolled in the university.

The scene which I witnessed may be briefly described as follows: The day was cold; strong winds were blowing from the northwest, ripping the leaves from the trees and tearing viciously at a line of hitch-hikers extending from the College Pharmacy to the rotary four miles below Durham. Most of the members of this “league long” line were shivering with the impact of the elements on their bodies. This is an objective observation of conditions.

Hitch-hiking, as other arts, has its ethics. Never have I seen them so flagrantly violated as they were Saturday. It is unforgivable under pleasant weather conditions for a fellow seeking transportation by the elevation of the thumb, to adopt the position most favorable, regardless of his fellows. That is to say: Some student hitch-hikers are so low down, so inconsiderate, so lacking in breeding, refinement, knowledge, and sense of propriety, that they edge into “line” at the best possible place giving no attention to those there before them. And not only this! When these people plant themselves thus they leer at, defiantly berate any aborigine who censors their action. When, as was the case Saturday, the traffic is a trickle and the wind is piercing ice, such a violation of roadway manners deserves unmitigated and “deep damnation.”

As one of those so coldly concerned I endite this epistle in protest of such ethical misbehavior.

Many others I know are in accord with the indignation I have expressed over this situation.

Signed:

Albert St. John Winterford.

18th Century: Hopkinson: My days have been so wondrous free.

Haydn: My mother bids me bind my hair.

Holst: This have I done for my true love.

## Lens and Shutter

As its first major activity of the year, the Lens and Shutter club will sponsor a photo contest which is open to all students whether club members or not. All pictures are to have been taken since the beginning of school and of campus life. The prints are limited to 5 inches by 7 inches and do not have to be mounted. The contest will close on October 29 and will be judged that evening at a regular meeting of the club at which time they will be criticized for the benefit of members. Cash prizes will be awarded to the winners.

Dark room work has begun and at present regulations are being drawn up by Roland Kimball. These are to be included in the first monthly bulletin being put out by the club. At present the program of the year is being planned and many interesting talks and demonstration of interest to camera fans are to be included. Sev-

Elimination for Stunt Night Nov. 5

Stunt Night, annual feature of Blue Key's program, will be held November 7 in New Hampshire Hall.

Dick Sughrue, president of that organization, is chairman of the committee in charge, which is composed of representatives from the fraternities, sororities, and dormitories. He states that a new elimination and reviewal system will be used this year.

The plan is that all the frats and sororities will rehearse their skits Nov. 5 in Murkland auditorium. From these, seven men's skits and three women's will be chosen. Each skit will be limited to twelve minutes. In this way the program will not be excessively long as it has been in the past, as only the best of the stunts will be presented. All representatives have pledged their fullest support on the final night, regardless of the results of the eliminations.

Wildcats Deadlock Maine 7-7

Gale Sets Up First Score For Bears; Hall Stars as Gordon is Sidelined

In the face of a wind that reached gale force, the Wildcat grid machine battled the Maine Bears to a 7-7 deadlock Saturday afternoon at Alumni Field, Orono, before a crowd of 5500.

The hosts of Maine broke the ice in less than three minutes after the game had got underway. Unable to gain after the kickoff had been downed on the Wildcat six, Hall dropped back to punt which only netted sixteen yards against the wind and the Allenmen took charge on the Sauer twenty-six-yard stripe. Emile King smashed through center for a couple yards and then Carl Goodchild brought the throng to its feet by slipping through tackle on a reverse for twenty-four yards and a touchdown. He was aided by some near perfection blocking on the part of the Maine line. Al Hutchinson, then coolly dropped kick the conversion to put the Allen charges seven points to the good.

Gordon On Sidelines

Playing without the services of their gallant captain, Dick Gordon, the Wildcats bounded back like a rubber ball. Starting from the twenty-five, New Hampshire launched an offensive which paid off with a touchdown. The drive was paced by Harold Hall, one of the leading ground gainers in the East, with short but steady gains. When the zip of the Sauermen attack seemed to sag, Dick Gordon limped in to replace Pete Meneghin who had started the game. The next play, Dick drove up to the Bear two-yard mark and then he piled over for the six points. Roy Goodfellow then rushed in to knot the count with a beautiful place kick. That ended the scoring.

For the remainder of the game, both teams played good hard football with no outstanding scoring threats, most of the game being played around mid-field.

It was the first time this season that the Wildcats had faced the "T" formation and the boys did very well in holding it in check. Sauer employed a four-man line on the defense.

Wildcats Outplay Bears

Statistically it was a victory for the New Hampshire aggregation. They piled up a total of 12 first downs against six earned by the Bears, outrushed the Eck Allen's pupils 162-132, and broke even on the yardage gained through the air with a total of 27.

The summary:

New Hampshire—Lamond, re; Sakoian, rt; Hanson, rg; Neal, c; Ackerman, lg; Robbins, lt; Pino, lc; Begin, qb; Hall, lhb; Clark, rhb; Meneghin, fb.

Maine—Nickerson lc; Morrill, lt; Neal lg; Geneva c; Ervine rg; Harding, rt; Burrill, re; King, qb; Goodchild, rhb; Hutchinson, lhb; Barrows, fb.

New Hampshire ..... 7 0 0 0—7  
Maine ..... 7 0 0 0—7

Touchdowns, Goodchild, Gordon; conversions, Hutchinson (dropkick), Goodfellow (placement).

Referee, L. J. Kelley; umpire, S. H. Mahoney; head linesman, J. J. Mitchell; field judge, W. Wellington.

Yacht Club Nosed Out in Regatta

In their first intercollegiate yacht race of the season, competing in a four-way meet with Tufts, Brown, and Rhode Island State, the Yacht Club finished a very close second to Brown, losing by a single point. The final result was Brown 55, U. N. H. 54, Tufts 52, Rhode Island State 50.

Three crews sailed for the local club, Andreas Turner, skipper, and Jesse Pushee; Allen Richmond, skipper, and alter Prescott; and Richard Dodge, skipper, and Merton Bell. Richmond was the second highest scorer of the day. Dodge, a freshman, showed much promise in his first meet for the Keal Club.

The next race scheduled will be at Massachusetts Institute of Technology's sailing course, when an open intercollegiate regatta for the first annual Irvin Schell trophy will be held.

eral salons will be sponsored by the club which will be open to groups and photographers off the campus as well.

The next regular meeting will be held tomorrow night at 7.30, in Room 14, Murkland Hall. Membership blanks will be available at this time for all members to sign.

The motion picture division of the club is planning several programs for the other members of the club which promise to be interesting. At present a campus newsreel is being produced for showing some time in the fall.

Frosh Harriers Win Initial Race

Dick Scammon, acting captain of the freshman cross-country track team, came through with a victory for his team in the first contest of the year. Concord high was the defeated team by a wide margin of 35 to 21.

A new course was layed out this year so Scammon's victory constitutes a new record, for he made the two and sixtenths miles course in 16 minutes, 50 seconds. Coach Paul Sweet has a group of experienced runners out this year, as is clearly shown by the fact that four out of the first five were New Hampshire men.

Water Ankle Deep

In some spots the water was ankle deep, from the rain during the afternoon but this did not daunt the spirit of the hill and dalers. Coach Sweet still is not too optimistic about his team, for they are to meet Rhode Island on October 17 and Harvard-Dartmouth on October 25; these encounters will test the quality of his runners.

Varsity Harriers Defeated by Bears

Heavy Winds Hamper Teams; Prepare for Rams

No match for the formidable Bears of Maine, Paul Sweet's varsity cross-country team went down to a disastrous defeat Saturday morning at Orono, Maine. When the results were finally compiled the score read Maine 22, New Hampshire 34. Both teams were hampered badly by the prevailing gale and the wet course which covered a distance of four miles.

Dwight Moody and Leo Estabrooke of Maine led the field to the finish line in a dead heat. The winning time was 22 minutes and 38 seconds. Jim Sleeper was the first Wildcat to the tape placing third, followed by Royal Holmes (fifth) and Captain Chuck Kimball( sixth), Joe Pushee closed the Wildcat scoring with a ninth. Wayne Lowry was running well until he got a small stone in his shoe and had to drop out.

Paul Sweet was somewhat disappointed with the showing that the Wildcats made. "Most of the boys were bothered by cramps and were not in proper condition to run," he said, "but we hope to have that ironed out by the time we meet Rhode Island."

Sweet has the harriers working for the coming meet with the Rams. He has been emphasizing condition and pace. The boys cover a distance close to eight miles in the practice sessions. Sweet expects much trouble from Rhode Island as they always field a classy team. Having the meet in Durham is the main hope of the locals.

## HORSE SHOW

(Continued from page 1)

She rode her Morgan mare to victory in the two day endurance test over an 80-mile course in a field of 13.

Another of last year's winners, Brownlee McKee, again took a number of places—second in the UNH Student Horsemanship, second in the Local Saddle Horses, and fourth in the Ladies Horsemanship. Freshman Joanne Willcox came through with third place in the UNH Student Horsemanship.

## Wonderboy Outstanding

Of the outstanding off-campus horses, Wonderboy, of the Morgan Horse Stables, West Newbury, Mass., easily carried off the colors. The chestnut gelding, owned by Dr. W. L. Orcutt and ridden by his nephew, Bob Orcutt, won two firsts—Model Saddle Horses and Saddle Horses 15-2 and over, and split a first in the Combination Horses class with Wonder Lady from the same stables. Two geldings from the Morgan stables, Rewood and Ulyswood, also won places in a number of the events.

Some of the most spectacular jumping of the afternoon was done by Mrs. Felix Kwiecinski's horse, Hi-Jacker, in the Knock Down and Out Jumping and by William Fernandez of Gloucester, Mass., on Pal, winning first in the Open Jumping and third in the Knock Down and Out Jumping.

## Jordan Wins

Came the twilight and also the Cow Milking Contest with Pat Jordan managing to get the largest number of ounces of milk into her pail. Jane Barton came in second, Connie Constable, third, and Dottie Keefe, fourth.

Brother Win MacDonald attended the B.C.-Clemson game this week-end. . . Brother Bob Knight spent a special week-end in Newton Center, Mass. . . Brother Bertolini and wife were week-end visitors. . .

The vic party Friday evening was a success. Mr. and Mrs. Hauslein presided as chaperones for the dance. Brother Phil MacDonald, because of injuries, couldn't go to Maine for the game, so he went to his home in Gloucester, Mass.

**Lambda Chi Alpha:** Ed Burt, '41, Phil Dunlap '40, and Bill Hildreth '41 were week-end visitors. Although no word has been received from Hap, that is Harry Atwood, since he entered the service of Uncle Sam, it is a well established fact that Hap is doing a fine job. Ed Kennison, former Lambda Chi, now in the employ of the U.S. Marines, stationed at the Portsmouth Navy Yard, is en-

joying his dinners with the brothers. Parker Ayer, '41, is a frequent visitor at the house. Parker is now working at the hen residence.

**Sigma Alpha Epsilon:** Brothers Gaw, Blondin, and Riolo, witnessed the Dartmouth-Colgate game last Saturday. Brother Mullavey's coat went along too, but he didn't know it. Brothers Joe Chase and Frank Mullan '41, visited the house over the week-end. Brother Bill Call Sr. and Mrs. Call were here Sunday and entertained us with movies taken last spring. Painting is still popular. The shower-room is the latest to succumb to the brush. We were guests of Sigma Beta at the vic dance Friday night. Saturday night about 13 couples attended the dance at the house.

**Alpha Chi Omega:** The house was quite empty over the week-end. . . Ann Taylor spent the week-end with Mary McCarthy '41 in Lawrence. . . Marjie Chalmers was on the sidelines at Hanover Saturday cheering for Dartmouth. . . Pat Dowd had a visitor from M.I.T. . . Peggy Dower attended "The Student Prince" in Boston. . . Norma Prohaska and Madelyn Cram were our representatives at the Maine-N.H. game and spent the rest of the week-end in Augusta. . . Dottie Briggs, Betty Lucey, and Connie Estes have leading roles in Mask and Dagger's newest production.

**Kappa Delta:** The Kappa Delta's held a tea for patronesses and alumni last Thursday, in their apartment in the Colonial Inn.

**Sigma Beta:** A very successful house dance was held Friday night with S.A.E. as our guests. Mrs. Donle was chaperone. Bill Hall, '41, Dick Smith, '41, Sonny Raymond, and Roland Parker were house guests for the week-end. Intramural basketball officially opened Monday with the house playing S. A. E. Pat Knowles celebrated his day of becoming eligible for the draft by going to the game at Orono. Brothers George Ricker, Fred Wood and Jack Skerry were visitors at the house this last week.

## Alumni News

UNH leads all other New England universities in the number of last year's advanced military training graduates who are now in active service. One quarter of the men graduates in the class of 1941 at New Hampshire are now in military service. Most of the men are in service with the army; twenty-eight are lieutenants, one is a sergeant, and fourteen are privates. However, four men have been commissioned as ensigns in the navy, and one has enlisted as a marine. These statistics were announced as a result of a survey by Eugene K. Auerbach.

The Alumni Bureau has released the following list of addresses, in case the students wish to correspond with old friends.
